

## **ADIRONDACK HIGH PEAKS DOG TRAINING CLUB**

*The purposes of the club are to promote responsible dog ownership by conducting classes and activities for dogs and their handlers.*

### **Membership Application**

Thanks for your interest in joining the Adirondack High Peaks Dog Training Club (AHPDTC). The club offers excellent training classes for you and your dog to attend. We also have meetings, programs, guest speakers and an annual picnic. We publish a quarterly newsletter and communicate using a Group io platform.

We have two types of membership: Individual and Family. Family membership is for those individuals 16 years of age and older who are living in the same household.

Membership is open to those who subscribe to the purposes of the club.

Here are the steps to take when applying for membership:

1. Attend a full session of an AHPDTC training class.
2. Write a brief, informal biography for club members to read. Specify what sort of activities you have enjoyed with your dog(s) in the past. If applying as a Family, please include information on each applicant. Explain why you would like to join this club. 😊
3. Complete the enclosed application and have a current member agree to endorse you.
4. Return the completed application, biography and dues payment to me at the address below.

When all of the requirements have been fulfilled, the Board of Directors will consider your application. If you have any questions, please don't hesitate to contact me. We look forward to hearing from you.

Sincerely,

Monica Schmidt
